

Anarchitect!

1 - 6
PLAYERS

AGES
8+

5 - 15
MINUTES

OVERVIEW

A colorful, freeform, reversed Jenga!
Anarchitect is a dexterity party game that only takes a minute to learn! Players pull colored blocks from a blind bag and must find creative ways to safely build from their die-rolled color to the top of an increasingly unstable tower.

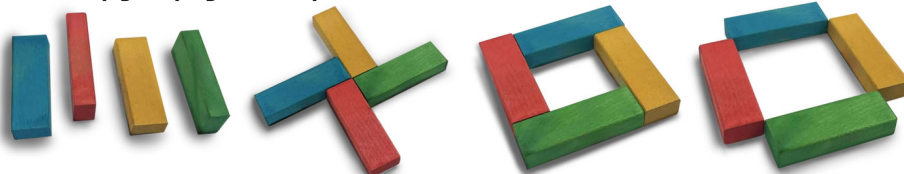

Players lean in during each other's turns!

Players love to take photos of their builds!

Mix up your play with unique bases!

Different bases lead to very different towers!
